I will pay principal and interest by making payments every month.

I will make my monthly payments on the first day of each month beginning on AUGUST 1, 2006.

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on JULY 1, 2046, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 2828 N. CENTRAL AVE STE 100, PHOENIX, ARIZONA 85004

or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments will be in the amount of U.S. \$ 1,528.22. This amount may change.

(C) Monthly Payment Changes

Changes in my monthly payment will reflect changes in the unpaid principal of my loan and in the interest rate that I must pay. The Note Holder will determine my new interest rate and the changed amount of my monthly payment in accordance with Section 4 of this Note.

4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of JULY 1, 2008, and on that day every 6th month thereafter. Each date on which my adjustable interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of the London interbank offered rates for six month dollar deposits in the London market based on quotations at five major banks ("LIBOR"), as set forth in the "Money Rates" section of *The Wall Street Journal*, or if the Money Rates section ceases to be published or becomes unavailable for any reason, then as set forth in a comparable publication selected by the Lender. The most recent index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding FOUR AND 990/1000 percentage point(s) (4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 8.050 % or less than 6.050 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than ONE AND 000/1000 percentage points (1.000 %).

from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than 12.050 %, which is called the "Maximum Rate" or less than 6.050 % which is called the "Minimum Rate".

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my adjustable interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal before they are due. Any payment of principal, before it is due, is known as a "prepayment." A prepayment of only part of the unpaid principal is known as a "partial prepayment." A prepayment of the full amount of the unpaid principal is known as a "full prepayment."

If I make a full prepayment at any time during the first 3 year(s) of the loan, I may be charged a fee as follows:

If Noteholder receives a prepayment on or before the first anniversary of the date of the Note, the prepayment fee shall be equal to THREE percent (3.000 %) of the original loan amount. If Noteholder receives a prepayment after the first anniversary but on or before the second anniversary of the date of the Note, the prepayment fee shall be TWO percent (2.000 %) of the original loan amount. If Noteholder receives prepayment after the second anniversary but on or before the third anniversary of the date of the Note, the prepayment fee shall be ONE percent (1.000 %) of the original loan amount. Thereafter, prepayment of the Note shall be permitted without any prepayment fee.

The prepayment fee shall be payable upon full prepayment, voluntary or involuntary; including but not limited to a prepayment resulting from Noteholder's permitted acceleration of the balance due on the Note. Notwithstanding the foregoing, nothing herein shall restrict my right to prepay at any time without penalty accrued but unpaid interest that has been added to principal.

When I make a full or partial prepayment, I will notify the Noteholder in writing that I am doing so. Any partial prepayment of principal shall be applied to interest accrued on the amount prepaid and then to the principal balance of the Note which shall not reduce the amount of monthly installments of principal and interest (until reamortized as set forth in the Note at the next Payment Change Date) nor relieve me of the obligation to make the installments each and every month until the Note is paid in full. Partial prepayments shall have no effect upon the due dates or the amounts of my monthly payments unless the Noteholder agrees in writing to such changes.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal I owe under this Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of principal that has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is delivered or mailed to me.

(D) No Waiver by Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Unless the Note Holder requires a different method, any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

(A) Until my initial fixed rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 17 of the Security Instrument provides as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

(B) When my initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section 4 above, Uniform Covenant 17 of the Security Instrument described in Section 11(A) above shall then cease to be in effect, and Uniform Covenant 17 of the Security Instrument shall instead provide as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back for all of its costs and expenses to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. THIS NOTE SECURED BY A DEED OF TRUST

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, dated JUNE 8, 2006, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. 6. BORROWER'S PAYMENTS BEFORE THEY ARE DUE ** See attached Prepayment Note Addendum.

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in a letter that I am doing so. A prepayment of all of the unpaid principal is known as a "full prepayment." A prepayment of only part of the unpaid principal is known as a "partial prepayment."

I may make a full prepayment or a partial prepayment without paying any penalty. The Note Holder will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no delays in the due dates or changes in the amounts of my monthly payments unless the Note Holder agrees in writing to those delays or changes. I may make a full prepayment at any time. If I choose to make a partial prepayment, the Note Holder may require me to make the prepayment on the same day that one of my monthly payments is due. The Note Holder may also require that the amount of my partial prepayment be equal to the amount of principal that would have been part of my next one or more monthly payments.

7. BORROWER'S WAIVERS

I waive my rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

8. GIVING OF NOTICES

Any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property Address above. A notice will be delivered or mailed to me at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by certified mail to the Note Holder at the address stated in Section 3 above. A notice will be mailed to the Note Holder at a different address if I am given a notice of that different address.

9. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any guarantor, surety, or endorser of this Note (as described in Section 7 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. **Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. **Funds for Escrow Items.** Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA,

Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. **Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. **Occupancy.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. **Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may

attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. **Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in

this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. **Borrower's Copy.** Borrower shall be given one copy of the Note and of this Security Instrument.

18. **Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. **Borrower's Right to Reinstate After Acceleration.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. **Sale of Note; Change of Loan Servicer; Notice of Grievance.** The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall record a notice of sale in each county in which any part of the Property is located and shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the other persons prescribed by Applicable Law. After the time required by Applicable Law and after publication and posting of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place designated in the notice of sale. Trustee may postpone sale of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the county treasurer of the county in which the sale took place.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender may, for any reason or cause, from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Time of Essence. Time is of the essence in each covenant of this Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Deed of Trust that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Deed of Trust.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Deed of Trust, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 17 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Deed of Trust.

3. **Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, and then to the principal of the Note.

4. **Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.

5. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards as Lender may require and in such amounts and for such periods as Lender may require.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

6. **Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

7. **Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. If Lender required mortgage insurance as a condition of making the loan secured by this Deed of Trust, Borrower shall pay the premiums required to maintain such insurance in effect until such time as the requirement for such insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

Any amounts disbursed by Lender pursuant to this paragraph 7, with interest thereon, at the Note rate, shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder.

8. **Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

10. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower and Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

Form 3803

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Deed of Trust, but does not execute the Note, (a) is co-signing this Deed of Trust only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Deed of Trust, (b) is not personally liable on the Note or under this Deed of Trust, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Deed of Trust or the Note, without that Borrower's consent and without releasing that Borrower or modifying this Deed of Trust as to that Borrower's interest in the Property.

12. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. Governing Law; Severability. The state and local laws applicable to this Deed of Trust shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of federal law to this Deed of Trust. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust and the Note are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. Borrower's Copy. Borrower shall be furnished a conformed copy of the Note and of this Deed of Trust at the time of execution or after recordation hereof.

15. Rehabilitation Loan Agreement. Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower enters into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Deed of Trust.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Deed of Trust. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Deed of Trust without further notice or demand on Borrower.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. Acceleration; Remedies. Except as provided in paragraph 16 hereof, upon Borrower's breach of any covenant or agreement of Borrower in this Deed of Trust, including the covenants to pay when due any sums secured by this Deed of Trust, Lender prior to acceleration shall give notice to Borrower as provided in paragraph 12 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than 10 days from the date the notice is mailed to Borrower, by which such breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the nonexistence of a default or any other defense of Borrower to acceleration and sale. If the breach is not cured on or before the date specified in the notice, Lender, at Lender's option, may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee shall record a notice of sale in each county in which the Property or some part thereof is located and shall mail copies of such notice in the manner prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. After the lapse of such time as may be required by applicable law and after publication and posting of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place designated in the notice of sale. Trustee may postpone sale of the Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto, or to the clerk of the superior court of the county in which the sale took place.

18. Borrower's Right to Reinstate. Notwithstanding Lender's acceleration of the sums secured by this Deed of Trust due to Borrower's breach, Borrower shall have the right to have any proceedings begun by Lender to enforce this Deed of Trust discontinued at any time prior to the earlier to occur of (i) sale of the Property pursuant to the power of sale contained in this Deed of Trust or (ii) entry of a judgment enforcing this Deed of Trust if: (a) Borrower pays Lender all sums which would be then due under this Deed of Trust and the Note had no acceleration occurred; (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Deed of Trust; (c) Borrower pays all reasonable expenses incurred by Lender and Trustee in enforcing the covenants and agreements of Borrower contained in this Deed of Trust, and in enforcing Lender's and Trustee's remedies as provided in paragraph 17 hereof, including, but not limited to, reasonable attorneys' fees;

Form 3803

and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Deed of Trust, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Deed of Trust shall continue unimpaired. Upon such payment and cure by Borrower, this Deed of Trust and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

19. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 17 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 17 hereof or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Deed of Trust. Lender and the receiver shall be liable to account only for those rents actually received.

20. Release. Upon payment of all sums secured by this Deed of Trust, Lender shall release this Deed of Trust without charge to Borrower. Borrower shall pay all costs of recordation, if any.

21. Substitute Trustee. Lender may, for any reason or cause, from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law.

22. Time of Essence. Time is of the essence of each covenant of this Deed of Trust.

23. Mailing Addresses. Borrower's mailing address is the Property Address. Trustee's mailing address is
2920 N. 7TH STREET SUITE 110, PHOENIX, ARIZONA 85012

**QUALIFIED WRITTEN REQUEST, COMPLAINT, DISPUTE OF DEBT AND
VALIDATION OF DEBT LETTER, TILA REQUEST**

This letter is a "qualified written request" in compliance with and under the Real Estate Settlement Procedures Act, 12 U.S.C. Section 2605(e).

Reference: Account # 0698264876 and 0698265857 (hereinafter the subject loan and is the reference for all questions and requests described below).

Dear Sir or Madam:

I represent Cibney Bello, the property owners for the above-referenced account. Accordingly, please provide the following:

I hereby demand absolute 1st hand evidence from you of the original uncertificated or certificated security regarding account # 0698264876 and 0698265857. In the event you do not supply me with the very security it will be a positive confirmation on your part that you never really created and owned one.

I also hereby demand that a chain of transfer from you to wherever the security is now be promptly sent to me as well. Absent the actual evidence of the security I have no choice but to dispute the validity of your lawful ownership, funding, entitlement right, and the current debt you say my client owes. By debt I am referring to the principal balance you claim that is owed; the calculated monthly payment, calculated escrow payment and any fees claimed to be owed by you or any trust or entity you may service or sub-service for.

To independently validate this debt, I need to conduct a complete exam, audit, review and accounting of this mortgage account from its inception through the present date. Upon

receipt of this letter, please refrain from reporting any negative credit information (if any) to any credit-reporting agency until you respond to each of the requests.

I also request that you conduct your own investigation and audit of this account since its inception to validate the debt you currently claim is owed. I would like you to validate the debt so that it is accurate to the penny!

Please do not rely on previous servicing companies or originators records, assurances or indemnity agreements and refuse to conduct a full audit and investigation of this account.

I understand that potential abuses by you or previous servicing companies could have deceptively, wrongfully, unlawfully, and/or illegally:

Increased the amounts of monthly payments;

Increased the principal balance owed;

Increased the escrow payments;

Increased the amounts applied and attributed toward interest on this account;

Decreased the proper amounts applied and attributed toward the principal on this account; and/or

Assessed, charged and/or collected fees, expenses and miscellaneous charges my client is not legally obligated to pay under this mortgage, note and/or deed of trust.

I request you insure that my client has not been the victim of such predatory servicing and lending practices.

To insure this, I have authorized a thorough review, examination, accounting and audit of mortgage account # 0698264876 and 0698265857 by mortgage auditing and predatory servicing or lending experts. This exam and audit will review this mortgage account file from the date of initial contact, application and the origination of this account to the present date written above.

Again, this is a Qualified Written Request under the Real Estate Settlement Procedures Act, codified as Title 12 section 2605(e) of the United States Code as well as a request under the Truth In Lending Act 15 U.S.C. section 1601. RESPA provides substantial penalties and fines for non-compliance or failure to answer my questions provided in this letter within sixty (60) days of its receipt.

Judges, attorneys work to stanch foreclosures

Julie Kay / Staff reporter
July 14, 2008

Alarmed by the dramatic rise in housing foreclosures across the nation, judges have taken a variety of actions to slow the pace, ranging from outright dismissals for incomplete work to mandated mediation to threatening attorneys with sanctions.

While attorneys hold "boot camps" to train colleagues on how to handle foreclosures, judges have been closing down shortcuts, such as telephone hearings.

Judges and bar associations in several states have also issued a call to all lawyers asking them to represent pro bono thousands of distressed homeowners.

A number of suits have accused banks of allegedly taking shortcuts to rush foreclosures through, often using so-called "foreclosure mills" — law firms that handle a high volume of foreclosure actions — to handle the cases, according to foreclosure defense lawyers, bankruptcy lawyers and consumer rights groups.

They claim that banks — so-called "securitization lenders" that bought scores of mortgages as investments — are filing foreclosure actions without the original paperwork and sometimes, without ensuring that homeowners are properly notified.

Judges around the country are getting the message.

"I deny more foreclosures than I approve," said Justice Arthur Schack of Kings County, N.Y., Supreme Court, in Brooklyn. "I want to see the servicing agent's power of attorney, I want to see all the paperwork before I approve it. If the paperwork is garbage, I deny it. If you're going to take away someone's home, it should be done properly."

'Political environment'

Tom Deutsch, deputy executive director of the Washington-based American Securitization Forum, a group that represents banks, major law firms and financial companies, acknowledged that judges are becoming "sticklers" for proper paperwork in foreclosure actions. But he asserts that judges are taking issue with technical matters and may not fully understand how the complex industry works.

When judges deny foreclosures because the names of trustees, such as banks, are on the foreclosure documents instead of the names of the servicing agents, who oversee the mortgages, they are taking a procedural action that doesn't change the fact that the homeowner was in default, Deutsch said.

"Judges are being very strict in enforcing the letter of the law," said Deutsch. "This is a heightened political environment and there's been a lot of media interest. But these are merely procedure errors . . . they are pulling out. It's much ado about nothing."

consumer rights group don't agree.

In Ohio, which has been particularly hard hit by foreclosures, a consortium of plaintiffs' attorneys last month filed a class action against Deutsche Bank A.G. on behalf of Ohio homeowners facing foreclosure. The suit alleges that the bank lacks standing to bring foreclosures throughout Ohio and is missing key mortgage documents. *Whittiker v. Deutsche Bank National Trust Co.*, No. 1:08cv00300 (E.D. Ohio).

In its filed response, Deutsche Bank, through its attorney Hugh McKay of the Cleveland office of Columbus, Ohio-based Porter Wright Morris & Arthur, flatly denies the allegations and makes the same point that Tom Deutsch made — that the "master servicers" of the mortgages, which are unidentified at this point, are to blame, not them.

In the complex world of mortgage foreclosures in the 21st century, "master servicers" oversee scores of pooled mortgages bought up by banks, making sure mortgages are paid on time and collecting the money. They are hired by trustees like Deutsche Bank, which have in turn been hired by trusts held by financial companies like The Goldman Sachs Group Inc., which buy up mortgages en masse as investments.

But Jim Rosenthal, co-plaintiffs' attorney in the case, calls Deutsche's argument "ridiculous." Because the bank filed the foreclosure in court, it is responsible for its actions and can't pass the buck, he said.

McKay did not return calls for comment.

Pennsylvania courts have also clamped down on foreclosures. In April, the Philadelphia Court of Common Pleas issued a regulation calling for an early intervention pilot project that mandates mediation and possible work-out programs before the property can be seized. *Joint General Court Regulation*, No. 2008-01.

In Nassau County, Fla., Chief Judge Donald Moran of Florida's Fourth Judicial Circuit ruled recently that, due to the "dramatically increasing volume of foreclosure cases coming before the court," the court will no longer allow telephone hearings on foreclosure cases. *Administrative Order*, No. 2008-08.

In January, Ohio Chief Justice Thomas Moyer sent a letter to all 40,000 attorneys in the state asking them to serve as pro bono lawyers or mediators for financially strapped homeowners facing foreclosure. More than 1,300 lawyers agreed and are receiving training from the Ohio State Bar Association.

"This is something we really believe in in our community," said Joshua Cohen, a plaintiffs' attorney at Cohen Rosenthal & Kramer of Cleveland.

A similar initiative recently began in central Florida, where Community Legal Services of Mid-Florida and volunteer private attorneys teamed up to fight foreclosures through what they are calling the Foreclosure Defense Project. The group is enhancing the solicitation by pointing out that the cases can ultimately result in attorney fees — particularly when fraud is found.

April Charney, a consumer specialist at the Jacksonville, Fla., Legal Aid office, is training lawyers around the state of Florida in how to represent homeowners in foreclosure cases.

She teaches lawyers how to turn individual cases into class actions, and has 30 cases involving Deutsche Bank — one of the key banks being targeted by the courts and in class actions.

A problem with 'mills'

Charney's suits against Deutsche Bank echoes several across the country, alleging that "foreclosure mills" are taking shortcuts.

These firms — which get bonuses based on the speed of the foreclosures — have a battery of paralegals churning out the work, and typically hire local counsel unfamiliar with the cases, who frequently lack the original mortgage documents.

That's because the original lender has long since sold the note to a secondary bank or finance company — usually without the knowledge of the homeowner, according to Ira Rheingold, executive director of the Washington-based National Association of Consumer Advocates.

Many of the foreclosures that Charney is defending were brought by the Tampa-based Florida Default Law Group, which represents Deutsche Bank. Officials at the firm did not return calls seeking comment.

The law firm bills itself on its Web site as specializing in creditors' rights, including "foreclosures on single family,

multi-family and commercial real estate, representation of the creditor in debtor bankruptcy matters, evictions, trial work on contested matters, legal opinions and real estate closing proceedings."

Justice Jack Battaglia of Kings County, N.Y., Supreme Court, voiced many of the same concerns over shortcuts in an order that he issued in February, denying a foreclosure brought by U.S. Bancorp's U.S. Bank National Association.

U.S. Bank was several times removed from the original mortgage issuer, describing itself in the action as "trustee for the Home Equity Loan Trust (U.S. Bank National Association, as trustee on behalf of the holders of the asset backed securities Corporation Home Equity Loan Trust)."

Battaglia's order stated that "[t]he affidavit of merit and amount due is executed by a person who is not an officer or employee of either plaintiff or the original mortgagee, and who is not shown to have personal knowledge of the matters asserted, or to be qualified to testify from the books and records of the plaintiff or the original mortgagee," adding that no proof was shown that the homeowner or original lender was properly notified of the default.

Rheingold applauds Battaglia and other judges for refraining from merely "rubber-stamping" foreclosures.

"For too long the courts have just pushed paper through without actually looking at it, which led to people losing their homes," Rheingold said. "The courts are busy and many times no one shows up in court to defend the suit . . . Judges have a gigantic mess on their hands."

A number of law firms that handle high volumes of foreclosures declined comment for this story.

Deutsche Bank, the bank most cited in suits and most often denied foreclosures, declined comment, citing pending litigation. Other banks that have been cited are U.S. Bank and Wells Fargo & Co.

Jennifer Wendt, a spokeswoman for U.S. Bank, which has also been admonished by judges who have rejected a number of its foreclosures for incomplete paperwork, said her bank was not the one at fault because it bought the mortgage as a "trustee for the securitization" — meaning it oversees a large volume of mortgages on behalf of investors.

"Our name is on those court and county records, but they wouldn't be our mortgages," Wendt said. "It's a pretty complicated thing."

Wells Fargo did not return calls for comment.

The ruling that seems to have opened the floodgates occurred in Ohio federal court in October 2007.

Deutsche Bank, facing a spate of lawsuits in Ohio state court, tried to sidestep state court by moving the cases to federal court. Its strategy backfired.

In his ruling, U.S. District Judge Christopher Boyko in Cleveland dismissed 14 foreclosure cases, stating that Deutsche Bank had no proof to back up its claim that it was the holder and owner of the mortgages. *Amended General Order*, No. 2006-16 (N.D. Ohio).

Following the judge's lead

Judges around the country have been following Boyko's lead. For example, on March 7, Duval County, Fla., Circuit Judge Lance Day dismissed a foreclosure brought by Deutsche Bank, ruling there were "inconsistencies" in the plaintiff's documents. *Deutsche Bank National Trust Co., trustee for Goldman Sachs v. Pope*, No. 16-20 07-CA-008285 (Duval Co., Fla., Cir. Ct.).

Day stated that the only document presented by the plaintiff was a mortgage payable to a separate party. "The document does not reflect the recording information for the mortgage purportedly assigned and does not provide the name of an assignee," stated the ruling.

Mark Kessler, a Jacksonville, Fla., solo attorney representing Deutsche Bank in Day's case, said in an interview that he was simply the local counsel hired by the main counsel and that he didn't even remember the case. "I have so many of these," Kessler said. "I was just the warm body they called."

Deutsche's primary plaintiffs' attorney in the case, Mark Olivera at the Law Offices of Marshall C. Watson of Fort Lauderdale, Fla., didn't return calls for comment.

Banks' use of local counsel, far removed from the original client and doing a high volume of cases, is part of the problem, according to Max Gardner, a North Carolina solo bankruptcy plaintiffs' attorney.

"Judges are starting to get wise, starting to look at the paper, and say to the attorneys standing before them: 'Who is your client?,' " said Gardner.

But Kessler said lawsuits by lawyers like Charney are only temporary solutions.

"If the paperwork is not right, it's just an exercise," he said. "The bank will ultimately jump through the hoops and get it right, and you're still dealing with the fact that the person is defaulting on his loan and doesn't have the money to pay the mortgage."

That may be true, but judges are taking the matter seriously — so seriously that they've begun to sanction and fine law firms for failing to provide the proper paperwork with their foreclosure actions.

In a blistering opinion in June, Schack, the Brooklyn judge, threatened Mary McLoughlin, an attorney at Rosicki, Rosicki & Associates of Carle Place, N.Y., with sanctions for filing a foreclosure on behalf of Wells Fargo. After doing his own research in the Automated City Register Computer System, a New York homeowner database, Schack discovered that Wells Fargo never owned the mortgage.

Schack denied the foreclosure and further set a hearing for Aug. 1 to afford her a chance to explain why she should not be sanctioned for "frivolous conduct." *Wells Fargo Bank v. Reyes*, No. 5516/08 (Kings Co., N.Y., Sup. Ct.). McLoughlin did not return calls for comment.
